*I know this going to be long and you're busy too but*

*This time I'm serious*

*Phele baith jao rigisha*

*So*

*Main aapke liye woh hii.jpg note likh raha tha, tabhi achanak meri 2 mummy aayi aur meri notebook jisme main aapke liye note likhta hoon, le liya*

*Unhone padhna shuru kiya aur boli Yeh tere course ka hai*

*Maine bola Nahi*

*Toh boli Phir time waste kyun kar raha hai*

*Maine kaha Main time waste nahi kar raha, bas poetry likh raha hoon*

*Mummy boli Haan bahut pata hai hume*

*Aur jaise aap jaanti ho, mere 1 parents bhi aaye hue hain mere 2 parents ke yaha*

*Toh meri 2 mummy ne mere 1 papa(Cuske bhai in the sense & and mere biological father ) ko woh notebook di aur padhne bola*

*Papa ne bola Abe yeh toh koi L letter lagta hai*

*Maine bola Nahi*

*Lekin phir mere 2 papa ne bola Abhi yeh umar nahi hai husband-wife banne ki, career pe focus karo*

*Mere papa ne woh mail padh liya tha lekin chup rahe*

*Uske baad galti khaya*

*Meri biological mummy ko samajh nahi aaya kya hua*

*Jab situation thoda calm hui, mummy ne poocha Kya hua, kya bol rahe the*

*Mere legal parents (Bua aur mama),*

*Mummy ne bola,*

*kuch baat hai kya*

*Main thoda hesitate hua lekin phir bola Ek pasand hai*

*Mummy ne bas kaha Theek hai na toh unhone poocha kahan ki ya kaun hai, bas haan keh diya*

*Phir kahan Abhi studies aur career pe dhyaan de, baad mein jab tu bolega, tab mai kisko interfere karne nahi dunggi tere aur uske beech.*

*Aur Phir sote samay mummy pucha?*

*Usi photo hain?, maine thora socha (abb kaise bolu ki mereko bhi confirm nahi hai) lekin maine risk liya aur aapki photo dekha diya. (risk hai toh ishq hai)*

*Mummy (acchi hai)*

*Sorry Rigisha, maine aapko bola tha ki thoda sambhal ke, warna aapka time aapse le liya jaayega*

*Lekin*

*Mujhse he galti ho gayi, mail logout karna chahiye tha*

*Lekin jo bhi hua, theek hua*

*Baad mein achanak pata chalta toh sab shock ho jaate*

*And yes I used your email sorry*

*Ussi din I was going to tell you this through my own email, but that time situation wasn't like that and I didn't understand how to reach you at that moment*

*So I thought I can use yours lekin phir socha nahi, kya pata kuch problems ho jaye lekin phir aapne hi puch liya (kyuu)*

*Maybe it broke the trust you kept for me sorry*

*I'm not insecure about anything because I know my wife is very loyal to. me*

*But I felt you were insecure about me*

*Maine kabhi meri porcupine, (which I consider my wife), par doubt nahi kiya*

*Haan, kabhi kabhi misunderstandings ho jaati hain, aur accha laga ki aapne openly pucha*

*I hope maine clear kardiya hoga aapki koi sab misunderstanding*

*Aur kabhi bhi koi bhi baat ho toh aise hi puchna (chupna mat mujhse, coz you consider me as your husband, right na Rigisha? So husband se koi bhi baat chupayi nahi jaati)*

*So I just want to say this clearly*

*Your husband Harshit is loyal to you*

*Yes, we can walk together where our future is going to be better and bright*

*Rigisha, give me some time, I will make sure that in the future everything will be great*

*I am yours only*

*And I'm holding your hand, Rigisha*

*This time this is final I'm not letting you go away from me*

*Idk why but tears are falling down... happy tears, I think*

*Baas thora emotional hogaya hu shayad.*

*And aapke bohot ache marks aaye hain, Rigisha I'm always proud of you*

*Whether you're cracking it or not I will always behind you to hold you back*

*Lekin ye mat sochna ki main abse baat nahi kar paunga yea karunga, bilkul karunga*

*Shayad thoda kam, lekin ek baat hai, iss waja se aap baat aap mujhe mail, message ya meets apne free time pe kar sakti ho*

*I will manage it (aap apne free time pe call karlena yea message)*

*Aur meri wajah se aap apni baatein mat chupana*

*Agar reply na aaye toh samajh lena main ya toh coaching mein hoon ya kuch aur kaam mein, lekin aap kabhi hesitate mat karna bilkul nahi*

*Accha aapko bohut saari baatein bolni thi na?*

*Toh boliye, main sunne keliye yakin hoon aapke paas*

*Rigisha teri bohut yaad aati hai 😊*

*( Mai bass tera hu )*

*You know what...*

*you're not just beautiful, you carry a kind of maturity that makes you even more rare.*

*I know your days are hectic, and maybe keeping busy is good it keeps your mind engaged, and for me too, it makes the weight of missing you a little lighter though you still find a way to stay in my thoughts.*

*And I want you to know this I'm never angry with youuu. I understand that both our careers matter, not just for ourselves, but for the future we'll build together.*

*No matter how busy life gets, we'll grow side by side ,hand in hand, heart with heart.*

*I'm fine and I hope you are too,*

*Rigisha*

*I love Brx....*

*forever yours, husband*

*Rigisha...*
